

ESGO BACKED MEETINGS GUIDELINES

1. To organize a backed meeting is **one of the benefit of members**.
2. The **input of ESGO** differs as of the type of backed meeting:
 - 2.1. **Endorsed event**
 - The Society is not involved in the design of the event
 - its scientific value should be evident as reflected by the recognition of the speakers and their expertise in the fields (preliminary scientific program is a mandatory part of the request)
 - support from the Society:
 - no financial support
 - marketing: logo is granted for use in brochures reflecting endorsement, advertising via ESGO channels (web, newsletter etc.)
 - recognition of the scientific value of the event
 - approval of the Council is necessary (applications at least 3 months in advance)
 - organizer: ESGO member
 - place: any
 - In return:
 - on site promotion of ESGO (brochures, slides)
 - the organizer is asked to provide contact details of participants (mailing list)
 - others: in case of Industry support, the event should not be sponsored by an unique sponsor.
