

ENYGO Fertility Sparing in Gynaecological Oncology Workshop

January 27-28, 2017
Madrid, Spain

FINAL PROGRAMME

| DAY 1st – Friday, January 27, 2017 | | | |
|--|---|----|--------------------------|
| 10:00-10:10 | Registration | | |
| 10:10-10:30 | Welcome address – ENYGO presentation | 20 | R. Laky, J.L. Bartha |
| | CERVICAL CANCER | | |
| | Chairs | | D. Querleu, I. Zapardiel |
| 10:30-10:50 | Spread pathways and rationale to tailor radicality | 20 | M. Halaska |
| 10:50-11:10 | Indications and when is contraindicated | 20 | R. Laky |
| 11:10-11:30 | Safety and oncological results of radical trachelectomy | 20 | D. Querleu |
| 11:30-11:50 | COFFEE BREAK | 20 | |
| 11:50-12:10 | Role of sentinel node biopsy for fertility preservation and different techniques | 20 | M. Halaska |
| 12:10-12:30 | Neoadjuvant chemotherapy and ultraconservative treatments | 20 | A. Casado |
| 12:30-12:45 | Utility of cerclage and surgical technique | 15 | R. Laky |
| 12:45-13:00 | Ovarian preservation and oophorectomy. Indications and technique | 15 | I. Zapardiel |
| 13:00-13:15 | Role of radiation therapy and ovarian function preservation | 15 | I. Rodriguez |
| 13:15-13:30 | Gonadotoxic effect of chemotherapy | 15 | A. Casado |
| 13:30-14:30 | LUNCH | 60 | |
| | Chairs | | M. Halaska, A. Hernandez |
| 14:30-14:50 | Follow-up in spared-fertility patients | 20 | K. Zalewski |
| 14:50-15:20 | Vaginal radical trachelectomy: surgical technique | 30 | D. Querleu |
| 15:20-15:50 | Laparoscopic radical trachelectomy: surgical technique | 30 | J. De Santiago |
| 15:50-16:05 | Role of uterine arteries preservation, is there any evidence? | 15 | D. Querleu |
| 16:05-16:25 | COFFEE BREAK | 20 | |
| 16:25-16:40 | How to avoid cervical stenosis? Current evidence | 15 | J. De Santiago |
| 16:40-17:00 | Obstetrical outcomes after fertility preservation | 20 | M. Halaska |
| 17:00-17:20 | Role and safety of ARTs after fertility preservation treatment | 20 | J.A. Garcia Velasco |
| 17:20-17:40 | Embryo and Oocyte preservation | 20 | J.A. Garcia Velasco |
| 17:40 | End of the day | | |
| | SOCIAL EVENING | | |

| DAY 2nd – Saturday, January 28, 2017 | | | |
|--|---|----|---------------------|
| | ENDOMETRIAL CANCER | | |
| | Chairs | | R.Laky, K. Zalewski |
| 9:00-9:20 | Selection of patients and safety | 20 | S. Morales |
| 9:20-9:40 | Evaluation and staging before conservative treatment | 20 | K. Zalewski |
| 9:40-10:00 | Hysteroscopic treatment | 20 | S. Alonso |
| 10:00-10:20 | Hormonal treatment | 20 | S. Alonso |
| 10:20-10:40 | Follow up and completion of hysterectomy | 20 | K. Zalewski |
| 10:40-11:00 | Fertility and obstetrical outcomes | 20 | I. Zapardiel |
| 11:00-11:20 | COFFEE BREAK | 20 | |
| | OVARIAN CANCER | | |
| 11:20-11:40 | Safety of ovarian preservation in ovarian cancer and borderline tumors | 20 | L. Chiva |
| 11:40-12:00 | Video on Surgical staging and fertility preservation | 20 | I. Zapardiel |
| 12:00-12:20 | Role of appendectomy and omentectomy in early stages | 20 | S. Morales |
| 12:20-12:40 | ARTs and ovarian cancer | 20 | A. Guillén |
| 12:40-13:00 | Obstetrical outcomes | 20 | L. Chiva |
| 13:00 | Closing remarks | | R.Laky, K. Zalewski |

SCIENTIFIC AND ORGANISING COMMITTEE:

Prof. Denis Querleu, ESGO President Elect, Honorary Professor of oncology, University of Toulouse, France. Consultant, Institut Bergonié Cancer Center, Bordeaux, France

Dr. Rene Laky, ENYGO President, ENYGO President, Division of Gynaecology, Medical University Graz, Austria

Dr. Kamil Zalewski, ENYGO EEG member, ENYGO EEG member, Department of Gynecologic Oncology, Holycross Cancer Center, Kielce, Poland, Warsaw Medical University, Poland

Dr. Ignacio Zapardiel, Gynecologic Oncology Unit, La Paz University Hospital. Associate professor UAM University. Scientific Assistant Director Research Institute IdiPAZ. Madrid, Spain

FACULTY:

Prof. José Luís Bartha, Head of Department, Obstetrics and Gynecology Department, La Paz University Hospital, Madrid, Spain

Dr. Javier De Santiago, Head of Gynecology Department, MD Anderson Cancer Center. Madrid, Spain

Prof. Juan Antonio García-Velasco, Director IVI-Madrid Clinic, Chief Professor URJC University, Madrid, Spain

Dr. Michael J. Halaska, 3rd Medical Faculty. Charles University, Faculty Hospital Kralovske Vinohrady. Prague, Czech Republic

Dr. Antonio Casado, EORTC Gynecologic Cancer Group Treasurer, Medical Oncology Department. Hospital Universitario Clinico San Carlos, Madrid, Spain

Dr. Luís Chiva, Director of Department of Obstetrics and Gynecology, Clinica Universitaria de Navarra - CUN, Pamplona-Madrid, Spain

Dr. Isabel Rodriguez, Radiation Oncology department, La Paz University Hospital, Madrid. Spain

Dr. Alicia Hernandez, Gynecologic Oncology Unit coordinator, La Paz University Hospital, Associate Professor UAM University, Madrid, Spain

Dr. Sonsoles Alonso, Gynecology Department. MD Anderson Cancer Center, Madrid, Spain

Dr. Sara Morales, Gynecologic Oncology Unit. Hospital Universitario Infanta Leonor, Madrid, Spain

Dr. Alfredo Guillén, Medical Coordinator, IVI-Madrid. Madrid, Spain.
