Date of Accreditation (dd/mm/yy):	

Accreditation of Trainees (European Gynaecologic Oncologist Accreditation)

Trainees clearly trained in accredited centres up to one year prior the centre has been certified are eligible to receive an official certification. After this date, the retrospective recognition will not be authorised.

Trainees should be reported to the ESGO Administrative office at the beginning of their training so that they can be recorded in the ESGO database of fellows

Presentation of Trainee's Log Book is the basic precondition of the official ESGO recognition. After being approved by the ESGO Council, trainees will be sent an official recognition Certificate.
