

Preliminary Scientific Program

As per January 28, 2019

Participation of faculty members is subject of confirmation.

Day 1, Monday, May 20, 2019			
9:00	Registration		
9:00	Welcome coffee and snacks		
10:00	Welcome – Course introduction	G.Scambia, G.Grimbizis, A.Fagotti	
	Session 1	Chair: A.Fagotti, R.Campo	
10:15	Current role of hysteroscopy in gynecologic oncology	U.Catena	0:30
10:45	Current role of MIS in Gynecologic Oncology (1- uterus) How to do (SLN & pelvic lymphadenectomy - XXX)	F.Fanfani	0:30
11:15	Current role of laparoscopy in Gynecologic Oncology (2 - ovary) How to do (aortic lymphadenectomy)	E.LebLANC	0:30
11:45	Current role of laparoscopy in Gynecologic Oncology (3 - cervix) How to do (RH)	Ch.Kohler	0:30
12:15	Management of complications during laparoscopy	L.Mereu	0:30
12:45	Discussion - Interaction		0:30
13:15	Lunch		
Lab Hands-on training on 6 pelvic trainer towers			
14:00	Opening		
	Trainers: U.Catena, F.Fanfani, L.Mereu, E.LebLANC, A.Fagotti, Ch.Kohler		
Psychomotor and suturing skills will be measured in all participants through tests validated by the European Academy of Gynecological Surgery, in collaboration with ESGE:			
- LASTT [®] is a validated assessment which measures and evaluates psychomotor skills in camera navigation, hand-eye and bi-manual coordination.			
- SUTT [®] is a validated assessment which measures and evaluates fine psychomotor skills like laparoscopic stitching and knotting.			
- HYSTT [®] is a validated assessment which measures and evaluates psychomotor skills in camera navigation and hand-eye coordination in the uterine environment.			
17:00	Wrap up Day 1		
20:00	Social dinner		

Day 2, Tuesday, May21, 2019

8:30	Hands-on with animal models (4 operating tables and 4 world-class laparoscopic surgery teachers will act as mentors)
8:30	Opening
	Trainers: <i>U.Catena, F.Fanfani, L.Mereu, E.Lebanc, A.Fagotti, Ch.Kohler</i>
	<ul style="list-style-type: none"> ▪ Introduction to pigs' anatomy, access to the abdomen and trocar positioning ▪ Ureteral dissection and nephrectomy ▪ Lymphadenectomy and SLN assessment
TBD	<i>Lunch</i>
	<ul style="list-style-type: none"> ▪ Management of complications in laparoscopy (bowel, ureter, bladder and vessels) ▪ Intraoperative US ▪ Laparoscopic HIPEC
16:30	Wrap up Day 2

Day 3, Wednesday, May22, 2019

Live surgery from two concomitant operating rooms & discussion	
8:30	Opening
	Surgeons: <i>U.Catena, F.Fanfani, L.Mereu, E.Lebanc, A.Fagotti, Ch.Kohler</i>
	Potential cases
	<ul style="list-style-type: none"> ▪ Endometrial cancer with SLN ▪ Early stage ovarian cancer with full pelvic and aortic lymphadenectomy ▪ Laparoscopic staging in advanced ovarian cancer ▪ Laparoscopic trachelectomy
TBD	<i>Lunch</i>
	<ul style="list-style-type: none"> ▪ Radical hysterectomy ▪ Hysteroscopic resection of early endometrial cancer ▪ Conservative management of borderline tumors with intraoperative US ▪ Laparoscopic resection of platinum sensitive recurrent ovarian cancer and HIPEC ▪ Laparoscopic interval debulking surgery
16:30	Closing session, Wrap up of the course, evaluation, discussion, idea for improvements
	<i>G.Scambia A.Fagotti (ESGO)</i>
17:00	End of the course

Faculty members

Subject of confirmation

Dr. Anna Fagotti	ESGO Council member, "Policlinico A. Gemelli" Foundation – IRCSS, Catholic University of the Sacred Heart, Rome
Prof. Grigoris Grimbizis	President of ESGE, Aristotle University of Thessaloniki, Department of Obstetrics and Gynecology, Thessaloniki, Greece
Prof. Giovanni Scambia	President Elect of ESGE, "Policlinico A. Gemelli" Foundation – IRCSS, Catholic University of the Sacred Heart, Rome
Dr. Ursula Catena	"Policlinico A. Gemelli" Foundation – IRCSS, Catholic University of the Sacred Heart, Rome
Prof. Francesco Fanfani	"Policlinico A. Gemelli" Foundation – IRCSS, Catholic University of the Sacred Heart, Rome

Prof. Christhardt Köhler	Asklepios Clinic, Hamburg, Germany
Dr. Eric Leblanc	Centre Oscar Lambret, Lille, France
Dr. Liliana Mereu	Santa Chiara Hospital, Trento, Italy
