Anatomical aspects of the cytoreductive ovarian cancer surgery for young gynecologist oncologists

Venue:
Department of Human Morphology and Embryology, Division of Anatomy, Wroclaw Medical University.

Local organizer:
- Club of Young Gynae Oncologists (KMGO) affiliated with the Polish Society of Gynecological Oncology
- Department of Oncology, Gynecological Oncology Clinic, Wroclaw Medical University, Poland,
- Wroclaw Comprehensive Cancer Centre

Course director:
- Piotr Lepka MD
Department of Oncology, Gynecological Oncology Clinic, Wroclaw Medical University, Poland,
Wroclaw Comprehensive Cancer Centre

Anatomy supervision:
- Zygmunt Domagała MD PhD
Acting Head of Division of Anatomy, Department of Human Morphology and Embryology, Wroclaw Medical University

Scientific Committee:
Piotr Ponikowski, Rafał Matkowski, Piotr Dziegiel, Jan Katarski, Adam Maciejczyk, Paweł Knapp, Zygmunt Domagała, Barbara Rosochacka-Rostalska, Marcin Jędryka, Marcin Misiek, Michael Halasza, Rene Laky, Ignacio Zapardiel, Andrzej Komorowski, Piotr Klimczak, Andrzej Czekański, Kamil Zalewski, Marek Szyrcyki, Sławomir Woźniak, Piotr Lepka

Registration fee:
- Regular price:
  Lectures: 200 polish zloty (PLN)
  Lectures and cadaveric dissection: 900 polish zloty(PLN)
- Reduced fee (students, ESGO and PTGO members <40 y.o.)
  Lectures: 150 polish zloty (PLN)
  Lectures and cadaveric dissection: 700 polish zloty(PLN)

Registration Link: www.ptgo.pl

Agenda

28th of February 2020 (LECTURES)

10:00 - 10:25 Opening (Piotr Lepka, Piotr Ponikowski, Rafał Matkowski, Piotr Dziegiel, Jan Katarski, Adam Maciejczyk, Kamil Zalewski)
10:30 - 10:50 Female Pelvic Anatomy for gynecologist oncologist (Piotr Lepka, Poland)
10:55 - 11:15 Anatomy of right upper quadrant – (Marek Szyrcyki, Poland)
11:20 - 11:40 Anatomy of left upper quadrant – (Zygmunt Domagała, Poland)
11:45 - 12:05 Central abdominal zone: right paracolic gutter, left paracolic gutter, paraaortic region (Sławomir Woźniak, Poland)
12:10 - 12:30 Coffee Break
12:30 - 12:50 Pelvic lymphadenectomy (Michael Halasza, Czech Republic)
12:55 - 13:15 Paraaortic lymphadenectomy (Ignacio Zapardiel, Spain)
13:20 - 13:40 Resection of the large omentum and small omentum (Rene Laky, Austria)

13:45 - 14:05 Splenectomy (Pawel Knapp, Poland)
14:05 - 15:00 Lunch Break
15:00 - 15:20 ERAS in gynecology oncology (Andrzej Czekański, Poland)
15:25 - 15:45 Liver mobilization and segmental resection (Andrzej Komorowski, Poland)
15:50 - 16:10 Diaphragm surgery-stripping and resection (Kamil Zalewski/Marcin Misiek, Poland)
16:15 - 16:35 Bowel resection and anastomosis (Krzysztof Szewczyk, Poland)
16:35-16:55 Coffee Break
17:00 - 17:20 Opening stoma and postoperative stoma care (Piotr Klimczak, Poland)
17:25 - 17:45 Modified posterior exenteration (Marcin Jędryka, Poland)
17:50 - 18:10 ESGO quality indicators in ovarian cancer treatment (Kamil Zalewski, Poland)
18:15 - 19:00 Visiting Museum of Anatomy (Wroclaw Medical University)
20:00 - 22:00 Network Meeting

29th February 2020 (CADAVERIC DISSECTION)

10:00-13:00 Cadaveric dissection (limited to 20 participants under 40 years old)
Mobilization of the right and left colon, Omentectomy and splenectomy, Pelvic lymphadenectomy, Paraaortic lymphadenectomy
13:00 - 14:00 Lunch Break
14:00 - 17:00 Cadaveric dissection
Liver mobilization, Diaphragm surgery - stripping and resection technique, Bowel resection and anastomosis, Modified posterior exenteration
17:00 - 17:15 Discussion, summary.

Tutors: Michael Halasza, Rene Laky, Ignacio Zapardiel, Piotr Klimczak, Marcin Jędryka, Piotr Lepka, Krzysztof Szewczyk, Kamil Zalewski, Pawel Knapp, Andrzej Komorowski, Marcin Misiek
