

ESO- ESGO-ENYGO Course on pathology of gynaecological tumors		
Ljubljana, Slovenia		
17-19 Nov 2021		

Chairs: Cristiana Sessa CH (ESO), Ignacio Zapardiel ES (ESGO), Sigurd Lax AT (ESO & ESGO)

Local Chairs: Maja Pakiz (ESGO) SLO, Nina Kovacevic + Andrej Cokan (ENYGO Representatives) SLO

Under the auspice of Assoc Prof Spela Smrkolj, President of the Slovenian society of Gynecological Oncology, Colposcopy and Cervical Pathology (ZGO-SZD)

Wednesday, November 17th		
18:00	Registration	
19:00	Welcome dinner	

Thursday, November 18th		
08:30-09:00	Welcome address and general introduction	ESO, ESGO, ENYGO chairs (Ilker), local chairs
	Cervical cancer session	
09:00-09:25	New aspects on adenocarcinoma of the cervix	E Iljazović, BH
5'	<i>Discussion</i>	
09:30-10:00	Diagnosis of microinvasive cervical cancer	
15'	Challenge for colposcopist	Špela Smrkolj, SLO
15'	Challenge for pathologist	Snežana Frković Grazio, SLO
10'	<i>Discussion</i>	
10:10-10:40	Rare histological types:	
15'	Challenge for pathologist	E Iljazović, BH
15'	Challenge for clinician	Jure Knez, SLO
10'	<i>Discussion</i>	
10:50-11:20	<i>Coffee break</i>	
11:20-11:40	Fertility preservation in early cervical cancer: to whom it should be offered - Fertility sparing options	G Aletti, IT
10'	<i>Discussion</i>	
11:50-12:20	Clinical and pathological aspects of lymphnode staging in cervical cancer	
15'	Challenge for pathologist	S. Lax, AT
15'	Challenge for clinician	G Aletti, IT
10'	<i>Discussion</i>	
12:30-13:30	Tumour board: 4 Selected cases presented by participants and discussed with the faculty	Local speakers (to be nominated by ENYGO) G Aletti, IT E Iljazović, BH
13:30-14:30	<i>Lunch</i>	

	Endometrial cancer session	
14:30-15:00	Uterine sarcoma	
15'	Challenge for pathologist	S. Lax, AT
15'	Challenge for clinician	I. Zapardiel, ES
10'	<i>Discussion</i>	
15:10-15:30	Different methods of biopsies: limitations for diagnosis?	G Zannoni, IT
10'	<i>Discussion</i>	
15:40-16:10	Conservative management of atypical hyperplasia and early endometrial cancer	
15'	Challenge for clinician	I. Zapardiel, ES
15'	Challenge for pathologist	S. Lax, AT
10'	<i>Discussion</i>	
16:20-16:50	Molecular classification of endometrial cancer – does pathology influence the treatment?	
15'	Challenge for pathologist	G Zannoni, IT
15'	Challenge for clinician	C. Sessa, CH
10'	<i>Discussion</i>	
17:00-17:30	<i>Coffee break</i>	
17:30-18:30	Tumour board: 4 Selected cases presented by participants and discussed with the faculty	I Zapardiel, ES I Selcuk, TK S Lax, AT Local speakers (to be nominated by ENYGO)
20:00	<i>Offsite dinner</i>	

Friday, November 19th		
	Ovarian cancer session	
8:30-09:00	Borderline tumors: a never-ending challenge	
15'	Challenge for pathologist	S. Lax, AT
15'	Challenge for clinician	Maja Pakiz, SLO
10'	<i>Discussion</i>	
09:10-09:30	Evaluation of response after neoadjuvant treatment (CRS)	G Zannoni, IT
10'	<i>Discussion</i>	
09:40-10:10	Management of non-chemo-sensitive tumors: an unresolved issue	
15'	Challenge for clinician	C. Sessa, CH
15'	Challenge for pathologist	B. Gazic, SLO
10'	<i>Discussion</i>	
10:20-10:30	<i>Coffee break</i>	
10:30-10:50	Clinical implementation of ovarian cancer molecular profile: is it the way to the personalized treatment ?	C. Sessa, CH
10'	<i>Discussion</i>	
11:00-12:00	Tumour board: 4 Selected cases presented by participants and discussed with the faculty	C Sessa, CH G Zannoni, IT A Pletnev, BY Local speakers (to be nominated by ENYGO)
12:00-12:30	<i>Learning self-assessment test</i>	
12:30-12:45	<i>Best clinical case award, farewell address and wrap up</i>	ESO, ESGO, ENYGO chairs, local chairs
