2nd European Ovarian Cancer Research Symposium 2027

Understanding ovarian cancer: translating biology into better outcomes

CCBIO Twin Symposium

May 9-10, 2027 (Bergen - Norway)

Scientific Program

Day 1: Sunday May 9, 2027 - Understanding ovarian cancer

09:00–10:00 REGISTRATION
10:00–10:15 Welcome and opening - Line Bjørge co-Director CCBIO

10:15–10:30 The Patient Voice – Opening Perspective

Session 1: Early Detection, Cells of Origin and Histologic Diversity

10:30–11:00 Invited talk *From genetic risk to precision prevention of ovarian cancer*
Ranjit Manchanda, London (Confirmed)
11:00–11:30 Invited talk *tba*
11:30–11:45 Selected short talk
11:45–12:00 Selected short talk

12:00–12:15 1-minute teaser presentations – Poster Session I

12:15–13:00 LUNCH
13:00–14:00 POSTER SESSION I

Session 2: The Tumor Ecosystem

14:00-14.30: **Invited talk –** *Programming T cell metabolic fitness to improve ovarian cancer immunotherapy*
Juan R. Cubillos-Ruiz, New York (Confirmed)

14.30-15.00: **Invited talk** *Spatial immune niches as determinants of anti-tumor immunity in ovarian cancer*
Jitka Fucikova, Prague (Confirmed)

15:00–15:30 **Invited talk** The versatile role of cancer-associated fibroblasts in BRCA1/2-associated cancers
Ruth Scherz-Shouval, Rehovot (Confirmed)

15:30–15:45 **Selected short talk**

15:45–16:00 **Selected short talk**

16:00–16:30 COFFEE BREAK

Session 3: Multi-omics and AI for Precision Oncology

16:30–17:00 **Invited talk** *New precision medicine approaches for patients with high grade* ovarian carcinoma
James Brenton, Cambridge (Confirmed)

17:00–17:30 **Invited talk** *AI in ovarian cancer: how to advance precision medicine ?*
Stéphanie Nougaret, Montpellier (Confirmed)

17:30–17:45 **Selected short talk**

17:45–18:00 **Selected short talk**

19.30 APERITIF

20.00 **DINNER**

Day 2: Monday May 10, 2027 – Changing Ovarian Cancer Outcome

08:30–08:45 ***The Patient Voice – Opening Perspective***
Sirpa Rautio, Finland(confirmed)

Session 4: Surgery and the Biology of Residual Disease

08:45–09:15 **Invited talk** *Integrating Tumour Biology into Ovarian Cancer Surgery (tbc)*
Viola Heinzelmann-Schwarz, Basel (Confirmed)

09:15–09:45 **Invited talk** *Targeting Elusive Cells: Towards Eliminating Minimal Residual Disease in Ovarian Cancer*
Ahmed Ahmed, Oxford (Confirmed)

09:45–10:00 **Short selected talk**

10:00–10:15 **Short selected talk**

10:15–10:45 COFFEE BREAK

Session 5 New Therapeutic Vulnerabilities

10:45–11:15 **Invited talk** *Claudin 6 as a Therapeutic Target in Ovarian Cancer*
Dennis Slamon, Los Angeles (Confirmed)

11:15–11:45 **Invited talk** *Quantifying cellular plasticity to understand treatment resistance in ovarian cancer*
Anna Vähärautio, Helsinki (Confirmed)

11:45–12:00 **Short selected talk**

12:00–12:15 **Short selected talk**

12:15–12:30 **1-minute teaser presentations – Poster Session II**

12:30–13:15 **LUNCH**

13:15–14:15 **POSTER SESSION II**

Session 6 Clinical Trials and Translational Landscape

14:15-14.45: **Invited talk** *Biomarkers in Ovarian Cancer: Guiding Treatment Selection (tbc)*
Iain McNeish, London (Confirmed)

14.45-15.15: **Invited talk** *Testing Biology-Driven Treatment Strategies (tbc)*
Stéphanie Lheureux, Toronto (Confirmed)

15.15-15.45: **Invited talk** *Learning from Trials: Uncovering Ovarian Cancer Biology (tbc)*
Intidhar Labidi-Galy, Geneva (Confirmed)

15.45-16.00: **Short selected talk**

16.00-16.15: **Short selected talk**

16.15- 16:30 **Closing remarks - Anniina Färkkilä**
