**Dates of Fellowship:** 05.03.2018 – 30.03.2018

**Detailed description on Teaching received:** I have been in Charite Frauenklinik Campus Virchow Klinikum for a period of one Month. That was a first such an experience for me to work with colleagues outside from my own country. I spent most of the time in surgery room and it was very precious for me to be a part of a very experienced team. Also, I had a unique opportunity to observe the work of leading European gynecologic oncologic surgeons and assist them. I am very grateful to whole team for the supports during this period. Especially I would like to thank again Prof Dr Jalid Sehouli and Dr Mustafa Zelal Muallem for their kindly hospitality.

**Goals accomplished:** I participated the operations regularly and in the near future I am going to perform the tips and tricks which I learned from Charite. In addition I also improved my skills in the management of rare gynecological oncologic cancers.

**Achievement in clinical practice:** To improve skills in advanced ovarian cancer surgery and especially to understand performing laparoscopic paraaortic lymphadenectomy.

**Presentations eg. at seminar or meetings:**

ESGO Advanced Course in Ovarian Cancer Surgery, 22-24 March 2018 Hamburg (Surgeries performed in Charite)

**Research performed and outcome: -**

**Publications: -**

**Problems encountered with a critical evaluation of the fellowship experience as a whole:**

There was no problem regarding the fellowship

**Future plan on returning to home:** The forthcoming months are the last months of my fellowship and I am going to work on my own clinic after finishing fellowship period. Thus it is crucial for me to organize my clinic in a regular basis like Charite.

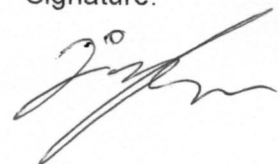

**Overall evaluation and comment of the fellowship:** It was really very helpful for me to improve my skills and I am looking forward to apply new opportunities, which are going to be organized by ESGO.
