ESGO | Masterclass in Gynaecological Oncology

ENYGO | JUNE 14-16, 2018 | WARSAW, POLAND

European School of Oncology — Learning to care

Call for Case Studies Abstracts

ESGO, ENYGO and ESO are pleased to challenge you to submit a case study abstract for the upcoming **Masterclass in Gynaecological-Oncology 2018**.

Only registered participants will be able to submit their case study abstract.

The Scientific Committee will review all the case studies abstracts and select

4 exceptional abstracts of clinical case studies for each topic.

Case studies topics include:

1. **Cervical cancer (IB2, IIIB, recurrence)**
2. **Vulvar cancer (IB, IIIA, recurrence)**
3. **Endometrial cancer (IBG2, IIIA, recurrence)**
4. **Ovarian cancer**

Participants are requested to submit their case study abstract in English until **May 1, 2018**. Abstracts received after this deadline will not be accepted.

To submit a case study abstract, please follow these steps:

1. Download and fill out the abstract template
2. Visit the Masterclass Online Registration platform
3. Log in under your personal account.
4. Select the ABSTRACT SUBMISSION Module.
5. Choose the relevant topic out of the 4 workshops that best fits your presentation and upload your abstract as a word file.
6. Every participant can submit one case study abstract to each topic.
7. To complete the submission, you are required to click the SAVE button, only then your abstract is uploaded and submitted.

DEADLINE FOR CASE STUDY ABSTRACT SUBMISSION: **May 1, 2018**
NOTIFICATION OF ACCEPTANCE: **June 1, 2018**

All submitted case studies abstracts will be evaluated by the Scientific Committee of the Masterclass 2018 and considered. ***The best 16 case studies will be selected for oral presentation and discussion at the scientific program workshops.***

If you have difficulties in submitting your case study abstract(s) or if you need any further information, please contact us at ***masterclass2018@esgomail.org***
