

Attendees (12) will be selected from the pool of applicants.

Motivation statement and short CV is a mandatory part of the application.

Please include in the Motivation letter (what are your expectations from this course? which role will you want to cover at the end of your training?) the next table filled out with your own data on laparoscopic experience. It will be used to define and structure the groups of attendees and optimize the hands-on training.

NUMBER OF PROCEDURES	AS MAIN SURGEON	AS ASSISTANT
Laparoscopic Hysterectomy		
Laparoscopic Pelvic Lymphadenectomy		
Laparoscopic Paraaortic Lymphadenectomy		
Radical Laparoscopic Hysterectomy for gynae malignancy
